SIGHT UNSEEN PURCHASE GUARANTEE

If your schedule or location doesn't allow you to come and see the bulls for yourself, give us a call and we can purchase bulls meeting your requirements. We provide a complete satisfaction guarantee. We want you to be satisfied, so when a buyer purchases "sight unseen" we will guarantee they are as represented as is or the buyer isn't obligated to take delivery.

DELIVERY

Free delivery to central points or your ranch. Call for more information.

HERD HEALTH

All bulls sell with proper brand and health papers. Bulls are fertility tested and guaranteed breeders.

DNA TESTING

The bulls in this offering have been DNA tested. We have taken this extra step to ensure that you can buy with confidence knowing that these bulls have high accuracy EPDs. For more information on AGI DNA testing, please visit Angus.org/AGI

CAB - TARGETING THE BRAND

The Targeting the Brand logo is designed to highlight registered Angus bulls with greater genetic potential to produce calves meeting the most challenging specifications of the Certified Angus Beef brand. Bulls must be at least breed average or better for marbling EPD and \$Grid of non-parent Angus sires to qualify for use of the Targeting the Brand logo. The logo gives you confidence that these minimum genetic requirements are met.

BULL INSPECTION

Bulls are available for viewing at any time. Call to set up a time 406.366.9023. Bulls are located at Stevenson's Diamond Dot, 5 miles south of Hobson on Montana Hwy 400 (on the way to the Diamond Dot Sale Barn).

CATTLE DELIVERY

Clint Stevenson and crew would like to deliver all the cattle personally, however due to the cost of travel and volume of cattle we must employ reputable trucking firms to assist us in the delivery process. Stevenson's Diamond Dot will coordinate delivery of all cattle as soon as possible after the sale. Our main goal is to get the cattle delivered in a timely and economic manner to allow the cattle to arrive at their new home in the best possible condition and to satisfy our customers.

Free Bull Delivery

In Montana and adjoining states, the bulls will be delivered right to your door step (corrals). The remaining states we will deliver to a Central Point at **no cost** to you. Central points will not be designated until we can see where all the cattle are going, and the stops must accommodate all the cattle on the load. We choose stockyards, vet clinics, and select ranches that can accommodate the semi truck and multiple head of cattle. In many cases, your ranch can be the central point. If you have suggestions to a central point, please let us know. Please note, all charges incurred at the said central point will be the responsibility of the purchaser.

We would still like to coordinate a central point to reduce the number of stops your cattle have to make before arriving to you. Your cooperation would be appreciated in this matter.

RETAINED INTEREST

We are selling FULL POSSESSION on all the bulls and retaining a 1/2 REVENUE-SHARING INTEREST in all the bulls. The bull you purchase is completely in your control regarding how you handle the bull and your natural service use. You receive 100% salvage value of the bull. Retaining 1/2 revenue-sharing semen interest simply allows Stevenson's Diamond Dot the right to share in collection of semen, use of semen and the right to share in semen sale revenue if semen becomes a possibility.

Realistically, we will collect semen on a very small percentage of the bulls selling. It will be an even smaller number of bulls that will market semen. However, we realize that many promising bulls are identified after they have proven themselves in natural service. If you have any questions or concerns about our retained interest policy, please contact any Stevenson's Diamond Dot representative.

We would like to invite you to take a look at our 2026 Spring “Bulls and Beers” offering. As we have done in the past, bulls will be on display at Diamond Dot North, 5 miles south of Hobson on MT Highway 400 and sale will take place at Tallboys Tavern March 18th at 4:30 pm.

Last fall, many people at our sale commented that it was the “best set of bull calves they had ever seen” not only within our herd but anywhere! This spring’s set of sale bulls will rival the fall set from top to bottom. We really feel that some of the best bulls we have sold in the last few years have been in our spring sale. This year we have increased the number of bulls offered so there is a greater selection to choose from!

This is the only time of year that we offer fall born bulls and the cows this set comes out of is truly elite. We are offering 75 of these age advantage bulls consisting of many embryo bulls. We lead these fall bulls off with two full brothers to the \$35,000 Diamond Galactic 1N84 who was our high selling bull last fall.

The yearling bulls consist of the top end of three contemporary sets, that were selected for this sale. They come from totally different sets of cows than the bulls offered in the fall. There are many heifer bulls in this set and some of the best sire groups, including Cavalry, Galactic and Step Up.

This sale is also historic as for the first time we will offer in auction Hereford bulls. We have sold small groups of these bulls each year private treaty, but this year due to the quality of this Hereford group we have decided to offer them at the end of the auction.

Throughout the spring, we will also have some private treaty bulls available. We are here to help you 365 days a year and if you need a bull, please reach out to us. As you are marketing calves this year please give us the opportunity to help you get top dollar for your cattle. We have several options, including representing your cattle on Northern Video, getting you in touch with private contacts to sell directly to, we have a contact in the south with special interest in Diamond Dot sired calves. Let us help you get the word out about your cattle!

We would love to have you come take a look at the bulls and join us at Tallboys Tavern in a fun, relaxed atmosphere for drinks and snacks on us! If you cannot attend, we are offering two video platforms for live bidding, LiveAg.com and FrontierLiveSale.com. We hope to see you March 18th in Hobson.

*Come enjoy the hospitality.

A bull that we think is just the right type. We selected him along with our partner M & E Angus of SD as the \$35,000 high selling bull in the Bruns Angus Farm Sale. His full brother was the high seller the previous year. Our commercial bull buyers love this sire group and his dam is an excellent cow. Semen available.
